

CV Susan Wiley

Dr. Wiley is a developmental pediatrician and professor at the Cincinnati Children's Hospital Medical Center/University of Cincinnati. She has focused her career on clinical care for children who are Deaf/Hard of Hearing Plus. Her research has focused on children who are D/HH plus, the recognition of language gaps among children who are D/HH and the implementation novel therapeutic strategies to support language learning in children who are D/HH. She has served as a member of the American Academy of Pediatrics Leadership Team for Early Hearing Detection and Intervention and is a representative of the American Academy of Pediatrics on the Joint Committee on Infant Hearing.
